### ABOUT US

Healthcare Linen Services Group (HLSG), is a leading provider of linen management services to the healthcare and hospitality industries. Four premier regional brands, Logan's Linens (Shelbyville, KY), Logan's Uniform Rental (Shelbyville, KY), Superior Health Linens (Cudahy, WI), and Textile Care Services (Rochester, MN) were brought together through the guidance and ownership of Thompson Street Capital Partners (TSCP), St Louis, MO.

HLSG currently operates nine state-of-the-art laundry processing facilities in four states delivering over 150 million pounds of assorted quality linens into both the healthcare and hospitality markets.

As an outsourced provider, we partner with healthcare administrators, clinicians and staff to deliver a wide variety of comfortable, bacteria free linens to thousands of hospitals, physician offices, surgery centers, and nursing homes.

HLSG is a member of the Textile Rental Services Association (TRSA) and has earned accreditations from the Healthcare Laundry Accreditation Council (HLAC) which exceed healthcare laundry processing standards set by OSHA, JCAHO and other federal agencies.
